

Tuesday 23rd June 2026

Dear Parents/Carers,

You will be aware of the Met. Office RED weather warning for extreme heat from 9.00am Wednesday 24th until 9.00pm on Thursday 25th. Following this we have completed a risk assessment of the school, outside spaces and transport to and from school and in line with other schools locally, we have taken the decision to close the school to staff and pupils on Wednesday 24th June 2026 and Thursday 25th June 2026.

Although temperatures will be lower on Friday we are keeping the situation on Friday under review.

Thank you for your understating and I am sure you appreciate the need to make sure pupils and staff are kept safe.

Kind Regards,

Krishna Purbhoo
Headteacher
New Barn School
